Split shipments

If customer requires shipments to be split into parts and handled separately, a Terminal fee will be charged according to the weight of the relevant part of the shipment. Release of a shipment separated into parts will be permitted in cases where the number of received pieces does not exceed the number of pieces on the MAWB. In these cases the shipment will be released only in whole to the recipient or his authorised representative, according to MAWB.

B.2 Storage of import consignments

All calendar days, including Saturdays and Sundays but not Public Holidays, are considered storage days.

Charge for storage is not applied for the service shipments of the partner air carriers.

Storage date: date and time when the complete shipment was received (all pieces as per AWB). If the storage date falls on Monday – Thursday after 3 p.m., or on Friday - Sunday, then the next working day is considered the storage date.

Charges for storage:

from the 1st to 4th day of storage free of charge

5th day or more of storage 6 CZK/1 kg/day

Delivery after business hours of the Import Landside reception: 100 % surcharge to the Terminal fee

Business hours of the cash desk: Monday – Sunday 7:00 am – 6:00 pm except for national holidays

In cases of AVI, HUM, LHO, PER, fresh flowers and express shipments, there will be no surcharge for delivery after business hours, only a surcharge for special products.
